## FOREWORD

Dear readers!

*In its twelfth edition, Bosniaca offers numerous texts and articles of renowned authors from Bosnia and Herzegovina, Croatia, Slovenia and Serbia. The articles present contemporary topics in the field of library science, and they could also be published in journals of culture, social theory, philosophy, and even information science. This fact demonstrates modern trends and interconnectivity of library science and information science.*

*Regional cooperation, an important aspect of library science is realized in pragmatic and transparent manner in this edition of Bosniaca.*

*Members of Bosniaca Editorial Board demonstrated responsibility, competence, proficiency and seriousness in their approach to work which have resulted in qualitative topic and article selection included in this edition.*

*I would like to use this opportunity to express my gratitude to Editorial Board, authors, consulting editors and associates for their effort and contribution to this new edition of Bosniaca!*

Thank you for your attention, dear readers!
